MockUIs

Login Page

The mockup shows a login page with a light blue header and a white main content area. The header contains a circular logo on the left and a navigation bar with links: Home, Time Table, Schedule Allocation, Modules, and Login. The login form is titled "Login" and includes a subtext "Login to access your travelwise account". It features input fields for Email (pre-filled with "john.doe@gmail.com") and Password (masked with dots). Below the password field is a "Remember me" checkbox and a "Forgot Password" link. A blue "Login" button is positioned below the form. Underneath the button, there is a link "Don't have an account? Sign up". At the bottom of the form, there is a section "Or login with" followed by three social media login buttons: Facebook, Google, and Apple. To the right of the login form is a large illustration of a hand holding a smartphone displaying a lock screen with a green checkmark and a padlock icon.
